

## Product Design

TransferRite 6798 is a premium paper backing with very high tack latex pressure sensitive adhesive. It is designed for use on highly textured vinyls or clear coated decals.

## Application

TransferRite 6798 works well on textured, embossed or reflective vinyl as well as adhesive-backed fabrics. 6798 may also be used for fine-lined, heavily weeded thermal die-cut decals or 4 color process printed decals.

## Performance Features

- ✓ Low build adhesive combined with a heavy duty paper backing, offers **clean, one-piece removal**.

Physical Properties	Values
Colors	White
Nominal Thickness	5.6 mils (.14 mm)
Adhesion @180°	28 oz/in (7.7 N/25mm)
Tensile Strength	16 lb/in (70 N/25mm)
Elongation (%)	2

All product properties are measured in accordance with Pressure Sensitive Tape Council and/or ASTM test methods. The physical properties listed above are typical values and are not to be constructed as specifications. Our suggestions and recommendations for use are based on tests we believe to be reliable. However, the purchaser must determine the suitability of the product for his intended use. American Bilrite assumes no liability for claims beyond the replacement value of our product proved to be defective.
